

OBTAIN YOUR OWN FREE E-MAIL ACCOUNT on YAHOO!

1. Open an Internet browser and type: yahoo.com in the address bar, press Enter.

2. Click "SIGN IN New here? Sign Up" on the top right of the screen.

3. Click on "Create New Account"

4. Enter the following information:

- First name, last name
- Choose your Yahoo ID: this will be your email address. Create a professional email address by using your name. A message will appear letting you know if the name you entered is already in use. For more about selecting an email address, please refer to the job search guide titled, "Email Address—Your First Impression."

Suggested user names for "Ryan Fuller":

- o First, middle initial & last name = rtfuller
- o (above) plus last four digits of phone = rtfuller2876
- o Last name & first initial & anniversary date = fullerr0826
- o First name, last name & zip code = ryan.fuller49684
- Password. Create a password that is at least 8 characters and no more than 20 characters. If you want to use the same password that you can use for Pure Michigan Talent Connect, be sure to also use at least 1 number, at least 1 upper case letter, at least 1 lower case letter.
- Birth date, gender, language, country, postal zip code
- Mobile phone. Leave this blank if you do not have a cell phone which can receive text messages. If you place a phone number in this box, a text message can be sent to that number to authenticate this process or if you forget your password and need help accessing your account.
- Alternate email address. Leave this blank unless you have another email account where you can receive messages. If you place an email address in this box, an email will be sent to you to authenticate this process.

- Click on "Create my account"

“With an e-mail account, you can send and receive messages quickly, easily, and safely. A professional email address conveys a good image to potential employers.”

Leave this blank unless you can receive email messages from another email address.

HOW TO CREATE AN E-MAIL ACCOUNT

- Click on the drop-down box for Secret Question 1, select one, and supply your answer. Repeat for Secret Question 2. Remember your answers exactly as you typed them (you will see your answers again on the “Thank you” screen, which is coming in a couple steps.

YAHOO!

Almost done,
the secret questions can help you get back into your account faster.

Secret Question 1:

Your Answer:

Secret Question 2:

Your Answer:

- Type the words that appear in the box. This is called a captcha and is used to prove that a real person is creating the account. The words are hard to read. If it is impossible to tell what the letters are, click the circle arrow to get new words that may be easier to read or click the speaker to hear numbers you could choose to type in.

Help us keep spammers out and keep your account safe.

← Type the code shown above

Done

5. Click “Done.”

6. The “Thank you” screen allows you to record or print your information. It is recommended that you save this printout for future use as it contains your email address and password that can be used anywhere Internet access is available.

YAHOO!

Thank you, Thomas
