

# BUSINESS SERVICES

SAVING YOU TIME AND MONEY WITH QUALITY SOLUTIONS FOR

- HIRING
- TRAINING
- CONNECTIONS

## CUSTOMIZED TRAINING SOLUTIONS

You can select from the following items to create a customized solution for your workforce training needs.

### Just-in-Time Training

- These are short-term, intensive training programs for the job-seeking workforce. Trainings are :
  - Based on your skill needs,
  - Delivered by local schools, and
  - Just in time for your projected hiring schedule.
- We assess and screen trainees prior to enrollment.
- You can participate in any phase of the process.

### Adult Education Learning Labs

- The job-seeking and employed workforce can upgrade their skills in math, writing, reading, and computers to meet your qualifications.
- Distance learning systems are available.
- Customized classes for your current workers may be available for a nominal fee. Visit: [nwm.org/labs](http://nwm.org/labs)

### On-the-Job Training Incentives

- We can provide up to 50% reimbursement of wages for a new employee during a specified training period.
- We will help you develop a training plan.
- We will screen your new hire for eligibility and assess for current skill levels.

### Employer Training Council

- We deliver seminars and workshops on current talent issues. Visit: [networksnorthwest.org/etc](http://networksnorthwest.org/etc)

### Other Services

- Ask us about testing services (fee-based) and customized hiring solutions.
