Highlights

- JMG program is fully integrated with both WIOA and Career Tech system programming.
- Partnerships strengthen our region-wide relationships with CTE programs.
- Leveraged funding creates greater impact of career awareness & career prep activities.
- The Michigan Works-JMG-Career Tech partnership leads to job referrals of Career Tech students to employers!
- Have met "5 of 5" benchmark the past two years.
- Six JMG students attended Legislative Day in Lansing on February 14, 2017.
- Four students have received recognition awards at JMG events.
- Two JMG students have participated in national JAG Leadership Conferences.
- Two JMG welding students competed in a Regional High School Welding Competition and both won \$500 scholarships.
- One JMG staff member received the JMG Specialist of the Year Award.
