Game Changer: The SBA's Recently Finalized Universal Small Business Mentor-Protege Program

Government contractors, large and small alike, have a major new opportunity to grow, develop, and compete: the SBA's new small business mentor-protege program, which officially took effect on August 24, 2016. Open to all small businesses (including SDVOSBs, HUBZones, WOSBs/EDWOSBs, 8(a)s, and "regular" smalls), the new program will change the landscape of federal set-aside contracting. In this webinar, government contracts attorney Steven Koprince provides a detailed guide to the new program, including eligibility to participate, requirements for a mentor-protege agreement, and an overview of how to form a mentor/protege joint venture.

Once you're registered, you'll receive a confirmation email 24 hrs before the webinar with instructions for how to join the webinar. If you do not receive an email by December 18, please contact Cathy Fairbanks at cathy.fairbanks@networksnorthwest.org or call 231.929.5036.

The NW Michigan PTAC is hosting a series of no cost webinars on Selling to the Government. Each webinar will take place at 11am EST, 60 - 90 minutes in length.
