The Antrim County Housing Committee assists low income families with rehabilitation of their homes to remove existing health and safety hazards within the home.

Antrim County received \$175,000 in grant funds for Homeowner Rehabilitation. The Antrim County housing committee will rehabilitate as many owner-occupied homes as possible within Antrim County, with leverages from Rural Development, Department of Human Services and Northwest Michigan Human Services.

Antrim County Housing will assist eight (8) qualified homebuyers with down payment assistance and moderate rehabilitation with these grant funds, only in the Village of Mancelona and the Village of Kalkaska.

Antrim County Housing Committee will be in partnership with Rural Development or another lender of the applicant's choice to purchase the dwelling of choice and repairs funds will come from the housing department in the form of a silent second mortgage.

Qualifications for this program are as follows: income according to family size, good credit, and without housing at the time of application.
