RE: 2022-2026 Manistee County-Wide Park & Recreation Plan Update

The Manistee County Board, the Township Boards of the 14 townships in Manistee County and the Village Councils of the 6 villages in Manistee County have adopted the 2022-2026 Manistee County-Wide Park & Recreation Plan. The plan was updated during 2021 with assistance from Networks Northwest. This plan will serve as a guide for recreation projects in the community over the next five years. Each municipality will receive a paper copy of the final plan and an online version can be viewed at [nwm.org/manisteerec](http://nwm.org/manisteerec) as of January 5, 2022.

Please contact me at the information below with any questions about the process or documents.

Sincerely,
