Responsibilities of this position include, but are not limited to:

- Assess and evaluate customers' work, education, and training background.
- Assess and evaluate customers' work related skill sets as applicable to local in demand employment opportunities.
- Assist customers in overcoming obstacles to employment.
- Review customer information to determine if intensive services are needed.
- Refer customers for in-depth assessment, counseling, and work readiness activities.
- Provide access to career related on-line resources and workshops.
- Facilitate customer understanding of the current job market and employer expectations.
- Assists with customer resumes, mock interviews and soft skill development.
- Work with the Northwest Michigan Works! Business Services Team to facilitate career planning and networking groups.
- Assist with job fairs and special events.
- Direct customers to community resources.
- Develops Individual Service Strategy with customers by identifying activities and action steps needed to meet customer needs and achievement of goals.
- Maintain a positive rapport with clientele including follow up, reporting of outcomes and regular case note data-entry.
- Develop and conduct work readiness, career development, and employability skills workshops.

Required Qualifications, Knowledge, Skills, and Abilities include:**Essential Qualifications, Knowledge, Skills and Abilities Desired**

- Associate's Degree or equivalent experience preferred.
- Case management skills.
- Experience in education, human services or related fields.
- Ability to develop effective partnerships and collaborative relationships.
- Ability to lead, coach and mentor customers in a positive manner.
- Excellent oral and written communication skills.
- Ability to work effectively as a member of a team, and adhere to policies and procedures.
- High level of customer service and interpersonal skills.
- Demonstrated competence in Microsoft Office and other software.
- Possession of a valid driver's license and insurable to drive agency vehicles.
- Knowledge of the local labor market and public and private sector employment practices.
- Proficient with Google suite operation, social media, and business software

This is a full-time salaried position starting at \$45,000 annually and is eligible for Northwest Michigan Works! Full benefits package that includes: comprehensive health, dental, and vision insurance with employer paid premiums; life insurance; disability insurance, employer paid deferred compensation retirement package; paid vacation, sick leave, personal time, and holidays; cell phone, and computer.
