Overview

This site is used to apply for a Going PRO Talent Fund (Talent Fund) Independent Employer or Employer-led Collaborative (ELC) award. The Talent Fund provides funding to employers to assist in training, developing, and retaining current and newly hired employees.

To submit an application through this website, you must be approved by an authorized representative of a local Michigan Works! Agency (MWA), and have a documented need for recruitment and/or development of talent in the next year. To receive permission to submit a Talent Fund application through this website you will need to contact your local MWA. After contacting your local MWA you will submit an authorization request through the Work-Based Learning On-line Management System (WBLOMS). Once your request is approved, you may create and submit an application upon the first day of the application period.

If you have submitted an authorization request or application in the past for a previous application cycle, you will need to do so again for any new application cycles. Applications from previous cycles will not be copied or transferred to a new application period. You will be able to view applications from previous award cycles.

Getting Started

To get started, contact your local MWA to inquire about the authorization request and application. For additional information, including MWA Talent Fund Key Contacts, please go to www.michigan.gov/talentfund.

It is recommended that you contact your chosen MWA before proceeding. You may log in to WBLOMS before contacting your MWA, however, you will have limited access within the online system until you are approved by your MWA to submit an application.

You may sign in to WBLOMS one of three ways.

- First, you may use an existing Pure Michigan Talent Connect (PMTTC) employer account. If needed, you may reset your password for an existing PMTC account through WBLOMS by following the instructions in this guide.
- Second, you may create a new account (User ID and Password) for WBLOMS by registering as a new user. A new account created through this method will only be used to log in to WBLOMS, not PMTC or any other State of Michigan website. Additionally, this new account will not be connected to any previous Talent Fund applications.
- Third, you may log in using an existing WBLOMS account that was created for a previous Talent Fund application period. If needed, you may reset the password for a previously created account by following the instructions in this guide.

Please identify which method you will use to sign into WBLOMS and follow the appropriate steps detailed in this guide.

Going PRO Talent Fund (Talent Fund)

This site is used to apply for a Going PRO Talent Fund (Talent Fund) Independent Employer or Industry-led Collaborative (I/C) award. The Talent Fund provides funding to employers in order to assist in training, developing and retaining current and newly hired employees.

In order to submit an application through this website, you must be pre-approved by an authorized representative of a local Michigan Works Agency (MWA), with a documented need for recruitment and/or development of talent in the next year.

For additional information, including MWA Talent Fund Key Contacts, please go to www.michigan.gov/talentfund.

If this is your first visit, click [Sign Up Today](#) to request system access and credentials.

Register as a New User

Follow the steps in this section if you do not have an existing PMTC account, a previously used WBLOMS account, or you intend to create a new account to be used exclusively for WBLOMS.

If you have an existing PMTC account or a previously created WBLOMS account, you may skip ahead to the Signing In section if you do not wish to create a new WBLOMS account.

Please note if a new WBLOMS account is created, any existing applications and authorization requests from previous or current years will not be visible from the dashboard of the newly created account. You will only be able to view previously submitted applications if you log in with the account that was used to submit said applications, or if you connect your new account to an existing application. Follow the instructions in this guide in the Authorization Request for Independent Applications section to connect a newly created account to an existing application or prior year award.

Step 1

Launch the WBLOMS Going PRO Talent Fund website: <https://app.wda.state.mi.us/WBL>. **For best results use the Chrome or Edge browser.**

Step 2

Click "Sign up Today" to create log in credentials. "Sign up Today" is located on the left side of the screen.

Step 3

Enter Required Fields which include First Name, Last Name, Email Address, Confirm Email, Phone Number, Password, Confirm Password, Select Question 1, Answer 1, Select Question 2, Answer 2, Select Question 3, Answer 3. The email address entered will be your User ID.

Register New User

If you have an existing Pure Michigan Talent Connect (PMTc) account, then you do not need to register as a new user. You can use your existing PMTC account to log in from [Sign In](#).

Please note that you cannot create a new account using an email associated with an existing PMTC account.

First Name	Middle Initial
Last Name	Suffix
Email Address (Login ID)

Password ⓘ	

Step 4

Press “Submit.” You will see a message that account creation has been successful. You will be redirected to the WBLOMS Sign In page. You may now sign in.

Select Question 3

Answer 3

Step 4

Signing In

You may sign in to WBLOMS one of three ways.

- First, you may use an existing PMTC employer account. If needed, you may reset your password for an existing PMTC account through WBLOMS by following the instructions in this guide.
- Second, you may create a new account (User ID and Password) for WBLOMS by registering as a new user. A new account created through this method will only be used to log in to WBLOMS, not PMTC or any other State of Michigan website. Additionally, this new account will not be connected to any previous Talent Fund applications.
- Third, you may log in using an existing WBLOMS account that was created for a previous Talent Fund application period. If needed, you may reset the password for a previously created account by following the instructions in this guide.

Step 1

Launch WBLOMS URL: <https://app.wda.state.mi.us/WBL> **You must use the Chrome or Edge browser.**

Step 2

Sign In with your User ID and Password. If you have not previously created a WBLOMS account, you may Register as a New User to create a new User ID and Password. Alternatively, you may sign in using an existing PMTC account. To do so, enter your existing PMTC account associated email address as User ID and use the same Password used for PMTC.

Forgot Password

You may reset your password by following the instructions in this section. Please note if you reset a password for a PMTC account in WBLOMS, you will need to use the new password when logging in to PMTC. Additionally, WBLOMS will send an email containing a security token to the email address associated with your account during the password reset process. Please wait for the security token to arrive before requesting a new security token. If a security token has not arrived check your spam folder.

Step 1

Click the “Trouble Logging In?” button.

Employer Dashboard

From the Employer Dashboard, employers may submit an authorization request to complete a Going PRO Talent Fund application, view or edit a submitted application, and see the status of an application.

**Going PRO Talent Fund (Talent Fund)**
Going PRO Talent Fund (Talent Fund)

DashboardView AllEmployer, Example

From the Employer Dashboard, employers may submit an authorization request to complete a Going PRO Talent Fund application; start, view or edit a submitted application, and see the status of an application.
To get started, contact your local Michigan Works! Agency (MWA) to inquire about the authorization and application process if you have not already done so. For a list of MWA Talent Fund Key Contacts, please go to www.michigan.gov/talentfund.
The application period closes on November 26, 2022. After 12:00 PM (Noon) Eastern Time, employers will not be able to submit their application.

Authorization Request for a New Independent Application

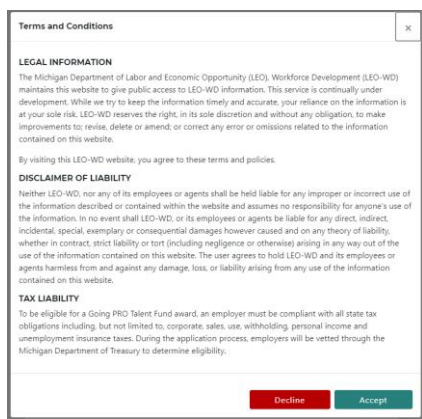

Follow the steps in this section to request permission to create a new application. An MWA must grant permission to complete a Talent Fund application in WBLOMS. To request permission to submit an application, you must sign in to WBLOMS and submit an authorization request. Complete all required fields to request authorization from an MWA to apply for a Talent Fund award. Entering text may prompt a drop-down list to select from and/or the automated population of data (i.e., FEIN number). Please review all fields prior to clicking Submit.

You will need to submit an authorization request regardless of any approved authorization requests from previous application periods.

If you would like to connect a new WBLOMS account to an existing application, please see the next section titled “Authorization Request for an Existing Independent Application”.

Step 1

Click on “New Authorization Request.” Accept the terms and conditions.

A screenshot of a "Terms and Conditions" dialog box. The dialog box has a title bar with "Terms and Conditions" and a close button (X). The content is organized into three sections: "LEGAL INFORMATION", "DISCLAIMER OF LIABILITY", and "TAX LIABILITY". The "LEGAL INFORMATION" section states that the Michigan Department of Labor and Economic Opportunity (LEO) maintains the website for public access to LEO-WD information and that users agree to these terms by visiting the site. The "DISCLAIMER OF LIABILITY" section states that LEO-WD and its employees/agents are not liable for any improper or incorrect use of the information. The "TAX LIABILITY" section states that employers must be compliant with all state tax obligations to be eligible for a Talent Fund award. At the bottom of the dialog box, there are two buttons: "Decline" (red) and "Accept" (green).

Step 2

In the field labeled Employer, **slowly** enter text to search for Federal Employer Identification Number (FEIN) or Company Name. As you slowly type you will see a drop-down menu appear. If the drop-down menu does not appear, pause while typing to see a spinning circle that will eventually load the menu. Please note, the web browser you are using may have saved details such as names, addresses, or phone numbers that cause a different drop-down menu to appear. Be sure to use the WBLOMS drop-down menu pictured below.

Authorization Request

Please complete all required fields below to request authorization from an MWA to apply for a Going PRO Talent Fund award. Entering text may prompt a drop-down list to select from and/or the automated population of data (i.e., FEIN number). Please review all fields prior to clicking Submit.

Step 3

Select the employer details from the drop-down list. If your company does not appear on the drop-down list, proceed to manually type in your Employer Name and FEIN in the appropriate fields. If selected from the list, you will not be able to edit the FEIN field. The drop-down list displays the employer details in the following order FEIN: Employer Name: DBA Name.

Employer FEIN ⓘ

111222333 : Example Company : Example Company Nar 111222333

Doing Business As ⓘ

Example Company Name to Appear on Awards List

Step 4

If it did not automatically fill, enter the name your business is commonly referred to under Doing Business As (DBA) name. This should be the public facing name of your company.

Step 5

Enter the name of the specific site applying for an award. This name will be used to identify your company in WBLOMS. Please enter a name that clearly identifies your company and the site you are applying for. Contact your MWA to determine if they have a desired naming convention. An example would be "Company X - Grand River Location".

If you have previously applied to Talent Fund through WBLOMS and would like to use the same site information, click into the Site/Plant/Facility Name field. A drop-down menu will appear containing all sites that have been created for the Employer and FEIN. Click on the site you wish to use. The address fields will then automatically populate with the previously used address for that site.

Step 10

Authorization Request for an Existing Independent Application

Follow the steps in this section to connect a WBLOMS account to an existing application. This may be necessary if someone else from your company has already created an application and you would like to access it using your own unique login credentials. You may also follow these steps to attach your employer account to an existing application from previous application cycles. Finally, follow these steps if an MWA has created an application on behalf of your company.

An MWA must grant permission to connect to an existing Talent Fund application in WBLOMS. To request permission to connect to an existing application, you must sign in to WBLOMS and submit an authorization request. Entering text may prompt a drop-down list to select from and/or the automated population of data (i.e., FEIN number). Please review all fields prior to clicking Submit.

Step 1

Click on “New Authorization Request.” Accept the terms and conditions.

Step 2

In the field labeled Employer, **slowly** enter text to search for Federal Employer Identification Number (FEIN) or Company Name. As you slowly type, you will see a drop-down menu appear. If the drop-down menu does not appear, pause while typing to see a spinning circle that will eventually load the menu. Please note, the web browser you are using may have saved details such as names, addresses, or phone numbers that cause a different drop-down menu to appear. Be sure to use the WBLOMS drop-down menu pictured below.

Authorization Request

Please complete all required fields below to request authorization from an MWA to apply for a Going PRO Talent Fund award. Entering text may prompt a drop-down list to select from and/or the automated population of data (i.e., FEIN number). Please review all fields prior to clicking Submit.

Step 10

Begin an Application

To begin an application, you must first submit an authorization request as detailed in the Authorization Request for Independent Application sections. There are two types of authorization requests “New” and “Existing” as described in the previous sections. Please notice the Request Type in the screenshot below “Request Type” will be labeled “Independent” for new independent authorization requests.

Authorization Requests

Once an Authorization request is approved by an MWA it will appear here. To begin an application, click “Start Application”.

FEIN	Site Name	Request Type	Status Step 1	MWAName	Status Date	Step 2
111222333	Example Company - Lansing Location	Independent	Approved	Capital Area Michigan Works!	10-26-2020 1:12 PM	Start Application View
380677845	Lansing	Existing	Approved	Capital Area Michigan Works!	10-21-2020 10:26 AM	View

[View All](#)

Once a “new” authorization request is approved by an MWA, the status will change to approved. Now a new application can be started. Follow the steps below to begin a new application.

Once an “Existing” authorization request has been approved, the status will change to approved. You will be able to view any existing applications for the site that was indicated in the request. You may not edit applications from previous application periods. Applications from previous cycles cannot be copied or transferred to the current application period.

Step 1

Under the Authorization Request section, locate a request that has been approved.

Step 2

On the right side of the screen near the request, click “Start Application.”

Editing an Application

At any time, you may exit your application and return later to finish. You must manually save any information before exiting.

Applications

Step 2

Enter North American Industry Classification System (NAICS) Title or Code. As you slowly type a drop-down menu will appear. Select code from the list.

Step 3

Enter the total number of full-time permanent employees in the company at this location.

Step 4

Enter the public facing name of the company as it should appear on the list of awarded applications.

Step 5

Click “Save and Continue.”

The screenshot shows a form with several input fields and buttons. The steps are highlighted as follows:

- Step 2:** Primary NAICS. Input field: "Type NAICS Title or Code for search". Below it, a note: "The NAICS code may be found at federal NAICS website".
- Step 3:** Total number of full-time permanent employees (for this plant/site/facility/location). Input field.
- Step 4:** Name of Company to Appear on Awards List. Input field with "Example Employer - Lansing".
- Step 5:** Two buttons at the bottom: "Save" and "Save and Continue".

Business Ownership Section

Step 1

Select any applicable categories from the drop-down menu. Multiple options can be selected. At least one option other than “Not Applicable” must be selected here to score points as detailed in the Independent Application Scoring Criteria. Non-scoring applicants must select “Not Applicable”.

Step 2

Click “Save and Continue.”

The screenshot shows the "Business Ownership" section of a form. It includes the following text and options:

Business Ownership

Is your business considered a minority-owned, women-owned, veteran-owned, Individual With a Disability (IWD) owned, or a Geographically-Disadvantaged Business Enterprise; according to the following criteria?

To qualify, the business must be:

At least 51 percent owned and controlled, and day to day operations and long-term decisions must be managed by said category,

or

Is a Geographically-Disadvantaged Business Enterprise.

Please select the applicable categories from the following:

- ☐ Minority-owned
- ☐ Women-owned
- ☒ Veteran-owned
- ☐ Individual With a Disability (IWD) owned
- ☐ Geographically-Disadvantaged Business Enterprise
- ☐ Not Applicable

At the bottom are two buttons: "Save" and "Save and Continue".

Contacts Section

Step 1

Enter information for all required fields for primary contact which include: First Name, Last Name, Phone Number, and Email. To use the information previously entered during account creation, click "Same as site user"

Step 2

Click "Save and Continue." Repeat for steps 1 and 2 for alternate contact. Save must be clicked in both sections.

Training Information Section

Step 1

Click the calendar icon to select the date training will begin. A pop-up will appear. You will not be able to select a date outside of the range of dates determined by the program cycle. This date represents the earliest date training will start.

Step 2

Click the calendar icon to select the date training will end. A pop-up will appear. You will not be able to select a date outside of the range of dates determined by the program cycle. This date represents the final date all training must conclude. For employees participating in on-the-job training (OJT), the training end date includes the required 90-day retention period and must conclude within one year of the award date.

Step 3

Click "Save and Continue."

Training Information

Enter the dates that the Going PRO Talent Fund-funded training will begin AND end. This encompasses the entire award period for this application. For new employees receiving on-the-job training, the training end date includes the required 90-day retention period and must conclude within one year of the award date.

Date training will begin ⓘ Date all training will end ⓘ

01/01/2023 08/31/2023

Save Save and Continue

Training Plan

In the following sections you will create the Training Providers, Training Courses, and indicate how many of each type of trainee are participating. The information entered will allow WBLOMS to create a downloadable training plan that can be retained for your records. Additionally, upon completion of all sections of the online application, a PDF copy of the application will be available for download. Please note, the downloadable training plan and PDF of the application do not interact with WBLOMS in any way once they are downloaded. Once the Excel of the training plan is downloaded, if you change the data in any cells, these changes will not be reflected in your application. Applications are always edited through WBLOMS as described in the steps in this guide.

Training Provider Section

The Training Providers must be created in WBLOMS first before creating training courses and indicating how many employees are participating in a course. For USDOL Registered Apprenticeship classroom and/or OJT training, create the provider in this section, then indicate the training is for USDOL training when the course is created in the following Training Plan section.

Removing a training provider will delete corresponding courses in the Training Plan section and may cause the Trainee Counts and Reimbursement Details to be deleted.

For an application to score points as described in the Scoring Criteria, a minimum of one training provider must be added as a College or University, Community College, or Third Party.

Third Party is defined as: A professional, industry, or employer organization (e.g., National Institute for Automotive Service Excellence certification, National Institute for Metalworking Skills, Inc., Machining Level I credential); or product manufacturer or developer (e.g., recognized Information Technology certifications, such as Microsoft Certified IT Professional (MCITP), Certified Novell Engineer, a Sun Certified Java Programmer, etc.) using a valid and reliable assessment of an individual's knowledge, skills and abilities; A public regulatory agency, which awards a credential upon an individual's fulfillment of educational, work experience, or skill requirements that are legally necessary for an individual to use an occupational or professional title or to practice an occupation or profession (e.g., Federal Aviation Administration aviation mechanic license, or a state-licensed asbestos inspector).

To add a College or University, Community College, Third Party, Private/Proprietary Training

Institution, Union/Joint Apprenticeship Training Council, Vendor, or Other Training Provider, follow steps 1 through 7.

To add an OJT Provider for standard OJT or USDOL Registered Apprenticeship OJT, follow steps 8 through 9.

Step 1

Select Type of Training Provider. To add an OJT Provider skip to step 7. **For an application to score points as described in the Scoring Criteria, a minimum of one training provider must be added as a College or University, Community College, or Third Party. One of those three options must be selected from the drop-down menu.**

Training Provider Information

Consider entering the official names of training providers rather than abbreviations or commonly used acronyms. Please contact your MWA representative to determine if there is a preference on how training provider names should be entered.

There are seven types of training providers that can be selected when creating a training provider. Only one record of a training provider must be created regardless of how many courses will be associated with that provider. If an application contains On the Job Training (OJT), select the "Employer On the Job Training" option. This will cause the training provider name and other details to auto populate with the employer information from the Employer Information section of the application.

Training Plan Section

There are four types of training to choose from while creating the training courses (Classroom/Customized Training, USDOL Registered Apprenticeship -Classroom, OJT, and USDOL Registered Apprenticeship OJT).

Each type of course will be detailed separately in this guide. Each type of course may require the credential earned to be selected. **For an application to score points as described in the Scoring Criteria, College Credit, Certification, and/or License must be selected as the credential earned for at least one course.**

To create Classroom/Customized Training follow steps 1 through 10.

To create USDOL Registered Apprenticeship – Classroom Training follow steps 11 through 21.

To create OJT follow steps 22 through 29.

To create USDOL Registered Apprenticeship – OJT follow steps 30 through 39.

To edit a training course or OJT follow steps 41 through 44.

Removing a course may clear any details that have been entered in the Trainee Counts and Reimbursement sections of the application.

Step 5

Select where the training is being delivered.

Step 6

Enter the number of New Hires assigned to the course.

Step 7

Enter the number of Current Employees assigned to the course.

Step 8

Enter the Training Cost Per Person. The Training Cost Per Person must represent the exact cost that will be reimbursed by Going PRO Talent Fund. Do not include excess amounts that will be paid as employer contribution.

Step 9

Click "Add Training Course"

Step 10

Repeat Steps 1 through 9 until all training courses of this type have been added.

Step 11- Creating USDOL Registered Apprenticeship – Classroom Training

Select previously created training provider from the drop down. College or University, Community College, Private/Proprietary Training Institution, Union/Joint Apprenticeship Training Council, Vendor, or Other Training Provider

Step 12

Enter the Training Course Name.

Step 13

Select the USDOL Registered Apprenticeship - Classroom option from the Training Type drop down.

Training Type

Select Training Type: ▼

Select Training Type:

Classroom/Customized Training

USDOL Registered Apprenticeship - Classroom

Step 14

Select the credential earned upon completion. If certification or license is selected, enter the name of the credential that will be earned in "Credential Title".

Step 15

Select where the training is being delivered.

Step 16

Enter the number of New Hires assigned to the course.

Step 17

Enter the number of Current Employees assigned to the course.

Step 18

Enter the Training Cost Per Person. The Training Cost Per Person must represent the exact cost that will be reimbursed by Going PRO Talent Fund. Do not include excess amounts that will be paid as employer contribution.

Step 19

Enter the type of apprenticeship program or position the training applies to. For example, Electrician.

Step 20

Click "Add Training Course"

Step 21

Repeat Steps 11 through 20 until all training courses of this type have been added. If you have multiple iterations of the same course being offered by the same provider on different dates enter them all in as separate courses.

Step 22 - Creating OJT Training

Select the previously created OJT training provider from the drop down.

Step 23

Enter the Job Title / Occupation.

Job Title/Occupation

Step 24

Select the On the Job Training (OJT) option from the Training Type drop down.

Training Type

Select Training Type: ▼

Select Training Type:

On The Job Training (OJT)

USDOL Registered Apprenticeship - OJT

Step 25

Enter the number of New Hires assigned to the course.

Step 26

Enter the Training Cost Per Person. The Training Cost Per Person must represent the exact cost that will be reimbursed by Going PRO Talent Fund. Do not include excess amounts that will be paid as employer contribution. Cost of OJT is traditionally calculated by multiplying the number of training hours by the hourly wage of the employee.

Step 27

Enter the number of training hours.

Step 28

Click “Add Training Course”.

Step 29

Repeat Steps 21 through 28 until all OJT courses have been added. Each Job Title/ Occupation participating in OJT must be represented as a unique course. For example, if you have Crane Operator OJT and Welder OJT, the OJT for each position must be represented by creating two OJT courses using steps 21 through 28.

Step 30 - Creating USDOL Registered Apprenticeship – OJT Training

Select previously created OJT training provider from the drop down.

Step 31

Enter the Job Title / Occupation.

Job Title/Occupation

Step 32

Select the USDOL Registered Apprenticeship – OJT option from the Training Type drop down.

Trainee Counts

In this section enter the number of unique individuals for each field. In each field a trainee may only be counted once, however, a trainee may be represented in more than one field. The first two fields represent the total unique count of current and new hires, and the subsequent fields show the breakdown of apprentices and college credit. For example, there are ten unique current employees being trained. Of those ten current employees, five individuals are apprentices, and two of those apprentices are receiving college credit. If a type of trainee is not included on the training plan, the corresponding Trainee Counts field will be grayed-out.

Editing any fields on the Trainee Counts page will erase the entries in the Reimbursement Details section.

Trainee Counts

Enter the number of unique individuals for each field. In each field a trainee may only be counted once, however, a trainee may be represented in more than one field. For example, there 10 unique current employees being trained. Of those current employees, 5 individuals are apprentices, and 2 of those of apprentices are receiving college credit.

Total number of unique new hires to be trained

Total number of unique current employees to be trained

Total number of unique new hire apprentices to be trained

Total number of unique current employee apprentices to be trained

Total number of unique new hires who will earn college credit

Total number of unique current employees who will earn college credit

Average hourly wage of employees

\$

[Save](#) [Save and Continue](#)

Step 1

Enter the Total Number of unique New Hires to be trained. (If applicable)

Step 2

Enter the Total Number of unique Current Employees to be trained. (If applicable)

Step 3

Enter the Total Number of unique New Hire USDOL Apprentices to be trained. (If applicable)

Step 4

Enter the Total Number of unique Current Employee USDOL Apprentices to be trained. (If applicable)

Step 5

Enter the Total Number of unique New Hires who will earn college credit. (If applicable)

Step 6

Enter the Total Number of unique Current Employees who will earn college credit. (If applicable)

Step 7

Enter the average hourly wage of all trainees. Average hourly wage is calculated by dividing the sum of all hourly wages of trainees by the total number of trainees.

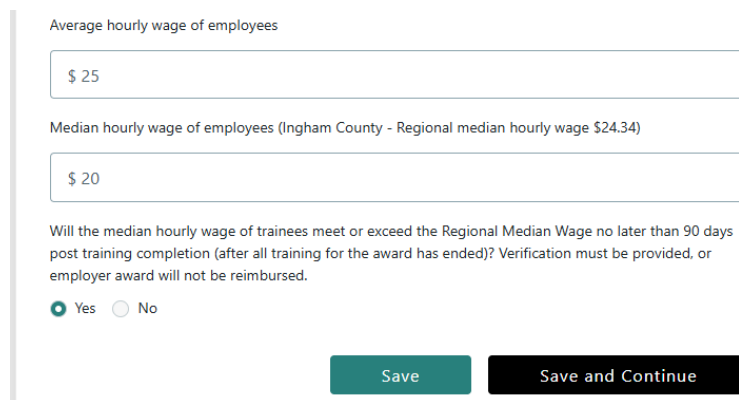

Step 8

Enter the median hourly wage of all trainees. Median wage must be calculated by first arranging all of the employer's (new hire and current employee) trainee wages from smallest to largest. If the number of data points is odd, the median wage is the middle data point in the list. If the number of data points is even, the median is the average of the two middle data points in the list.

The Regional Median Wage for the county associated with the employer address will be displayed. Select “Yes” or “No”. “Yes” or “No” can be selected regardless of the median hourly wage entered.

Points will be scored if “Yes” is selected. If “Yes” is selected, the median hourly wage of trainees must meet or exceed the Regional Median Wage no later than 90 days post training completion. Verification must be provided or the employer award will not be reimbursed.

Points will not be scored if “No” is selected. If “No” is selected, the median hourly wage of trainees is not required to meet or exceed the Regional Median Wage no later than 90 days post training completion.

Average hourly wage of employees

\$ 25

Median hourly wage of employees (Ingham County - Regional median hourly wage \$24.34)

\$ 20

Will the median hourly wage of trainees meet or exceed the Regional Median Wage no later than 90 days post training completion (after all training for the award has ended)? Verification must be provided, or employer award will not be reimbursed.

☒ Yes ☐ No

Click “Save and Continue”

Reimbursement Details

In this section enter the reimbursement amount requested for each type of trainee up to the respective per person cap (maximum reimbursable amount). Create a new entry for trainees of the same type who are requesting different reimbursement amounts. For example, an entry would be created for ten current employees who are being reimbursed at \$1,000.00, and a second entry would be created for five current employees who are being reimbursed at \$2,000.00. If you cannot add a certain type of employee (i.e. New Hires USDOL Apprentices) verify that the proper training courses have been added and that the Trainee Counts page is accurate.

Please note, if training courses are removed on the Training Plan page or the Trainee Counts page is updated, entries on this page will be deleted.

Reimbursement Details

Enter the reimbursement amount requested for each type of trainee up to the respective per person cap (maximum reimbursable amount). Create a new entry for trainees of the same type who are requesting different reimbursement amounts. For example, an entry would be created for 10 current employees who are being reimbursed at \$1,000, and a second entry would be created for 5 current employees who are being reimbursed at \$2,000.

Please note, if training courses are removed on the Training Plan page, data on this page will be deleted.

Funding Request and Employer Contribution

Before submitting an application, verify that the total cost of all training displayed in the Training Cost section matches the total amount of Going PRO Talent Fund program funds being requested. Excess training costs that are above the reimbursement amount requested must not be included on the training plan.

Training Cost
Before submitting, verify that the total cost of all training matches the total amount of going PRO Talent Fund program funds being requested. Excess training costs that are above the reimbursement amount requested must not be included on the training plan.

Total amount of Going PRO Talent Fund program funds being requested

In this section provide a total projected employer contribution amount.

Total projected employer contribution amount

Attachments to support the employer contribution are optional.

Employer contribution may include:

- Total amount of excess training cost that will not be reimbursed by award
- Projected wages (including healthcare benefits/paid leave) of employees while in Going PRO Talent Fund training
- Travel Costs for employees in Going PRO Talent Fund Training
- Reasonable cost of new equipment (i.e., one year's value) or software directly related to proposed training
- Supportive services provided to employees in Going PRO Talent Fund Training (Examples: tuition reimbursement, childcare assistance, additional transportation assistance)
- Other (Examples: overhead/administrative costs, cost of outside training facility, release time for trainees working towards high school equivalency completion during work hours, and lost productivity due to employee(s) attending training)

Note that On the Job (OJT) training should not be included. Additionally, upon completion of training, revised contribution must be reported.

Step 1 (Training Cost)

Total Cost of all training will be calculated based on information entered in the Training Plan section. Total amount of Going PRO Talent Fund program funds being requested will be calculated based on the information entered in the Reimbursement Details section. Verify that the totals match.

Step 2 (Employer Contribution)

Enter the total projected employer contribution amount.

Step 3

Click “Save and Continue”.
