Attended Manpower Workshop in Manistee on 9/27/11; working for cash, picking apples at Douglas Vineyard which began on 9/29/11 - there will be work for approx 3 weeks. **Applied to the Shell Station in Manistee on 9/29/11; also applied to Packaging Corp for Security Guard in Manistee; also applied for an installer job with Dish Network on 9/29/11**

10/10 Fischer Gas in Wellston – where he applied a while ago...called him at 3am this morning to see if he could come into work...he did and he rode his bike to get there because his step-dad would not give him a ride. Fischer just called him(he's here at the Briny) and told him they want him to start working for them..gave him a schedule that begins Oct 31....40hr/week. He is also working this coming Saturday.

Woooooohoooo! It's a real job; he has already filled out tax info, etc. I will send verification to them after he works this Saturday.

10/20 attended MRS orientation with Holly H. Bobby may not be eligible as his most recent IEP stated he was no longer eligible for spec. ed. Services due to his testing/evals. (5/5/10)

10/12 quit Fisher Gas

- is living in Sterling Hgts, MI; received news of passing GED/ test taken on 9/9/11. Is waiting to begin new full-time job painting in Roseville, MI - ended up being cash.

9/27 Ryan Grandy just stopped in the office a few minutes ago. Is in Manistee for a PO meeting tomorrow morning and is going to request that he be reassigned another PO downstate. He has not begun the new job yet, but seems to think that it will begin either this weekend or on Monday. Will keep you updated on this.

8/16 - planning to attend WSSC in fall

9/30i – nothing new – he called this week and said he's been very sick. Did NOT attend Manpower Workshop

10/19/11 Well, Tim spoke with Tyler's probation officer here who has jurisdiction for Tyler's offenses downstate. It is not good. Tyler is still in jail here, but Shiawasee County is coming to pick him up...he probably is looking at 3-5 years...either in the county jail or it could be prison. He has not gone to any of his P.O. required visits (weekly) for two months and has not paid on his Shiawasee County fines, which are upwards of \$6,000.00.

What an incredible shame. (from Sue)

10/19/11 from Sue - Tim asked the PO to let us know when anything happens with Tyler; as in, if and when he will be arraigned here before Shiawasee, which is a big possibility. Tim also told him we(YB) would very much like to see some opportunity for Tyler if he is going to jail/prison....as in college/job....and would like a further discussion on this.
