RE: Invitation to Meeting and for Public Comment:

Dear Local Unit of Government Official:

The Leelanau County Road Commission hereby invites you to attend our planning meeting for the programming of projects to potentially be funded through the Local Rural Task Force Program for the State's fiscal years of 2020-2023. Projects must be located on federal-aid eligible highways (including those in the villages) that have been functionally classified as a major collector or higher according to the National Functional Classification (NFC) System as well as eligible transit projects. I have attached a copy of the map that illustrates roads by classification. We will also use this opportunity to identify any projects that could be added to the illustrative list should any additional funds become available within the Regional Rural Task Force.

The County wide planning meeting will be held on our normal Board meeting scheduled for Tuesday, November 20, 2018 at 1:00 PM at the Road Commission office, 10550 E. Eckerle Road, Suttons Bay, MI 49682. The list of previously approved projects will be reviewed. Additional projects may be submitted by eligible agencies at the meeting, and existing projects may be revised or priorities may be changed based upon the current needs of the agencies. The resulting list of projects from this meeting will be presented at the Northwest Michigan Regional Rural Transportation Committee 10C for inclusion in the Statewide Transportation Improvement Program (STIP).

Written public comments may be sent to the Leelanau County Road Commission in advance of the meeting. If you are an individual with a disability and need special assistance to attend the meeting, please contact the Road Commission at least two business days in advance.

Should you have questions about this program, or the purpose of the meeting, please feel free to contact me at your convenience by phone at (231) 271-3993, ext. 225 or our Engineer Jim Johnson, P.E. at ext. 224.

Regards,

National Functional Classification (NFC)

County: LEELANAU
MDOT County Number: 45
MDOT Region: North

Legend		NFC	Future NFC
	City		
	ACUB		
	County		
	Township		
	Lake or River		
	RailRoad		
		1 = Interstate	
		2 = Other Freeway	
		3 = Other Principal Arterial	
		4 = Minor Arterial	
		5 = Major Collector	
		6 = Minor Collector	
		7 = NFC Local	
		0 = Non-Certified	

MGF v14, July 2014, MDOT Asset Management.

Per MAP-21 legislation, Federal-Aid highways for Surface Transportation Program funds are NFC Interstate through Minor Collector minus rural minor collectors.

Rural minor collectors do have limited federal-aid eligibility.

Any NFC may be rural or urban. Urban NFC's are along or inside the Adjusted Census Urban Boundary (ACUB).
