Village of Thompsonville Parks and Recreation Survey Open

Residents and visitors are invited to provide feedback and comment on the Parks and Recreation system of the Village of Thompsonville.

THOMPSONVILLE, MI – Networks Northwest and the Village of Thompsonville (Benzie County) are working to develop the Village’s first Parks and Recreation Plan. Starting with the 2023 Village of Thompsonville Parks and Recreation Survey, residents will have the opportunity to provide feedback on the Village’s Parks and Recreation System. The survey was built by Networks Northwest staff and the Village of Thompsonville Council to help identify improvements to existing assets, what residents would like to see, and shape the goals and action plan for the future of the Village Parks and Recreation system.

Additional public input will be gathered at a future community drop-in session (to be planned) and during the approval process there will be the opportunity for comment. More information on the plan development and plan documents (as they are developed) can be found at, nwm.org/thompsonvillerecplan.

Members of the public are asked to complete the survey by Monday, May 1, 2023. Link to the survey via the URL: bit.ly/ThompsonvilleRecSurvey
