3:00pm – Manistee County Road Commission Office

In Attendance: Greg Hejl (Manistee County Road Commission), Mark Sohlden (Manistee County Road Commission), Dick Strevey (Manistee County Transportation), Julie Stec (Manistee County Transportation), Mathew Cooke (Networks Northwest), Hannah Yurk (Networks Northwest)

Mathew Cooke called the meeting to order at 3:01 p.m.

2. Approval of agenda

Considered approved with no issues.

3. Fiscal Year 24-26 STIP Development

Mathew Cooke stated that they are odd years only for funding of \$385,000. It was stated that the City, Transit, and the County alternate these years for these funds.

FY 2025

- The city was allocated the full \$385,000 allocation for their project, but was unable to attend the meeting.

Transit will receive the next project which is slated for FY 2027 for a vehicle purchase, then the County will receive the funds in FY 2029 for a project on 28th Street/21st Street. If the city does not have a project for FY 2025 then transit will be next for a project in FY 2025 and the alternation will be changed.

Motion by Dick Strevey seconded by Mark Sohlden, to recommend the discussed and approved projects as Manistee Small Urban projects for consideration and approval. Motion approved by all members in attendance.
